

About
VALE WOOD FARMS

At Vale Wood Farms, we manage quality at every step - from cow to consumer. On our family farm, we grow the crops to feed our own herd of cows, and then process their milk into quality dairy products for you and your family.

Vale Wood Farms is certified "cow friendly." Our cows are proven to be healthy and are not treated with rBST, a synthetic growth hormone.

Our dedication to quality all-natural dairy products begins with our commitment to a healthy, happy herd of cows. We believe that your family deserves the best.

We offer home delivery of our full line of dairy products. Ask your grocer for Vale Wood Farms products, or call today to receive home delivery.

Thanks for your interest in becoming a home delivery customer. We look forward to the opportunity to provide your family with friendly service of our quality all-natural dairy products

Vale Wood Farms is a small family business dedicated to providing local customers with quality dairy products. Since 1933, we have delivered our full line of all-natural dairy products to homes, schools, stores, and institutions within an hour radius of our farm in Loretto, Pennsylvania.

How Does Home Delivery Work?

Simply call our office to begin delivery and enjoy the convenience of having the dairy case come to you. Our milk trucks are in your neighborhood once each week. Our Route Manager will provide more specific information about the delivery day in your neighborhood.

Save gas money- shop at home! You'll never have to run to the store for milk again. You will also enjoy product specials available only to our home delivery customers.

Ordering Information

You can arrange for a regular weekly order or simply leave a form for your milkman the evening before your delivery. If you're not at home during the day, just leave a cooler by your door.

For our customers who enjoy the nostalgia of the milkman of yesteryear, insulated metal milk boxes, an authentic replica of our milk boxes from the 1940's, are available for purchase.

Payment Options

Our payment plan is easy. New home delivery customers are simply billed each week for the previous week's delivery. Payment is accepted by cash or check.

If you prefer to pay on a monthly basis, we also offer customers the convenience of account payment through a direct debit or credit card account. Please complete the form to the left and return it to our office (mail it or just send with your milkman).

Any other questions? Please just call or e-mail. Thanks again for your support!
