

Autumn on the farm is truly a chance to reflect on life's blessings. In the midst of our fall harvest, it's time once again for another company newsletter.

As always, we want to first take this opportunity to thank you for choosing dairy products from Vale Wood Farms. We so appreciate the support of our loyal customers.

The Latest Moos:

October Pumpkin Patch- The changing leaves remind us that our farm's annual Pumpkin Patch celebration is just around the corner, October 2-22, 11am-5pm.

Admission is just \$2 to enjoy family fun on the farm (giant corn box, farm-themed games, straw maze, fall photo ops.). Ages 2 and under are free.

We'll have all your fall decorating needs- pumpkins, mums, gourds, corn stalks, straw bales, and more. Our on-farm dairy store will feature our "Pumpkin Pie" and "Apple Pie" ice creams as well as hot apple dumplings, hot food, and our entire line of dairy products.

Hayride farm tours (available weekends for an additional \$2 per person) explore our agricultural

heritage as we enjoy the stunning fall scenery. Party packages are also available, but must be booked in advance.

We will once again conduct hayride tours for schools and other groups during weekdays, October 4-22. Group rates are offered for a minimum of 15 people and must be booked in advance. Check our website for more information, including teacher resources.

Welcome, Happy Valley Friends!- We have recently acquired another State College-area home delivery route and are very excited for the opportunity to expand our services. Many thanks to all of our State

"Pssstt...this is awesome- our parents rock."
Bring your little pumpkins out to our farm in October for affordable, local family fun.

College customers for their patience as we work to combine our existing customers with these new customers as efficiently as possible.

"Recycled" Milk Boxes- We have a limited number of second-hand milk boxes available while supplies last. The steel boxes feature a decal with our logo covering another dairy's name. We bought these boxes at below-market prices, so we're passing the savings along to you. Prices are \$30 per milk box, versus \$42 for our standard custom-printed steel boxes. Please email or call to place an order.

The Wallace family of Johnstown, pictured here with Zane Itle of Vale Wood Farms, were winners at the inaugural "Cow Patty Bingo", held in conjunction with our June Summertime Jubilee. The Wallaces purchased a square that was selected by our lovely bovine assistant when nature called. Proceeds were donated to charity.

HAVE YOU SEEN ME?

Please remember that any milk crates left at your home or business are loaned for your convenience with your milk delivery. Milk crates should be returned to the dairy (via your milkman) at your earliest opportunity.

The Milk Lady

Please meet the newest addition to our family of milkmen... ahem...milkpeople... Bernice Whetstone.

Bernice sold our soft serve mix for many years at an area ice cream stand before joining our ranks at the dairy.

We have a fantastic team of delivery personnel and are tickled- well, pink- at the prospect of adding a woman to our team.
